

2022 Grant Program

About The White-Wilson Community Foundation

Formed in 2012, the White-Wilson Community Foundation strives to make our community the healthiest on Earth. The Foundation serves individuals and organizations in Okaloosa, Santa Rosa and Walton Counties. Financial support is provided to non-profit organizations that advance community health, increase access to care or provide health-related educational services.

Our Goal

We believe that we are stronger when we come together to find creative solutions to our community's health needs. Our goal is to support innovation, creativity and life-changing solutions to the issues most impacting residents. We believe that through grant giving we have the power to enrich the lives of our friends and neighbors in new ways.

White-Wilson Community Foundation Giving

- Applications will be accepted February 1 – March 31, 2022.
- Grants are only awarded to not-for-profit health organizing and qualifying 501(c)3 organizations.
- Recipients will be notified by June 2022 and funds will be awarded following WWCF's annual fundraiser, The Little Black Dress Party, to be held September 2022.
- Recipients will be provided a partnership agreement upon notification.
- Organizations may request contributions annually or no more than once per 12-month period.

Exclusions

The White-Wilson Community Foundation does not award grants to the following:

- Individuals
- Political or lobbying organizations
- Religious organizations for religious purposes
- For profit organizations

Consideration

All applications will only be accepted during the application period. Additional details are available at whitewilsoncommunityfoundation.org.

Submission

Applications and support documents will only be accepted in digital formats. Please send application and support documents to:

info@white-wilson.com

Note that .zip files cannot be accepted, so applicants should attach multiple documents or utilize a file sharing platform such as Dropbox.
